Out of the Box Content

My Mobile App

Finding your dream home just got easier. My home search app allows you to continue your search for available listings from the convenience of your smartphone or tablet — anytime, anywhere. Save homes you love, request information, schedule showings with me, and receive push notifications within minutes of homes hitting the market.

Account Benefits

Create a RE/MAX account to personalize your real estate experience. Set up real-time email alerts to be the first to know when new homes come on the market, view information on recently sold properties, save your favorite listings and searches to view again later, and connect with me directly.

Author	Testimonial	Rating	Visible	Actions
Michelle H.	<p>Patience, professionalism, and an expert on the Chicago condo market describes what Mike Opyd has to offer his clients. He helped me find a perfect condo with an amazing Lake Michigan view after looking at many. He knows every neighborhood well and kept me on track and organized with the use of technology like Dropbox and Google Drive. I appreciate that Mike was incredibly responsive to my texts, emails, and calls. Thank you to Mike Opyd for a wonderful and seamless experience buying a condo. I highly recommend him!</p>	★★★★★	16/02/2020	Hidden

Additional steps are required on your domain registrar (godaddy, network solutions) to activate your custom domain. (after March 31) Contact Support for assistance.

Custom domains will not be active until March 31st. You have an assigned default domain shown on your website dashboard that you can use temporarily on your MAX/Center profile for "My website" link.
